IMDb: www.imdb.com/title/tt4357764/combined

Trailer: vimeo.com/141219542 (password: hintof1266)

A timid accountant tries to earn his living as a hitman, until he becomes a target for the vengeful mafia boss, murderous gangsters, mad cops and a sexy blonde – and if he's not careful his own wife might catch wind of his double life too.

Storyline

Toby (Alexander Chance) is a failed accountant trying to earn a living as a rather unsuccessful hit-man, until one stormy Christmas night he accidentally pulls the trigger on his own boss and becomes the target of a ruthless mafia lord (Zbigniew Zamachowski), trigger-happy cops and a gorgeous blonde from hell (Magdalena Lamparska).

At a hilariously fast pace he will now try to hide the body and stop the malicious mafia gang with the help of a private eye Chester (Stephen Baldwin) and Toby's frustrated posh wife (Charlotte Kirk).

Guns, cops, weird cemetery types and death itself won't be enough to stop Toby in his mission and find much more than redemption along the way.

CinemaVision Technology

We are suppliers of CinemaVision equipment and services required for making high quality 2D/3D films. We rely on the main rule in film industry - perfection and uncompromising quality.

High resolution 4K

We have experience and ability to record and post product a film in high resolution.

We have got on-line editing equipment for 2D-6K and 3D-4K footage.

High frame rate 1000 fps

We know how to synchronize multiple cameras and how to record stereoscopic slow motion (over 1000 fps) simultaneously from 4 rigs.

Stereoscopy 3D

Our knowledge, experience and equipment can be used to make a feature film, a documentary, to record a performance, a music video, a commercial, a training film.

We help our customers with 2D to stereo 3D conversion.

Transcoding to DCP/Blu-ray/TV/VoD

Considering the limitation of every format and taking them into account during filmmaking, we provide the final product of the highest quality.

Pre-production

We hire the proficient and professional film crew using the innovative ICT solutions.

Production

We advise, select and assemble the equipment which shot the film efficiently and in the highest quality.

Post-production

We edit stereoscopic 3D UltraHD/4K images in this stage of production.

Distribution

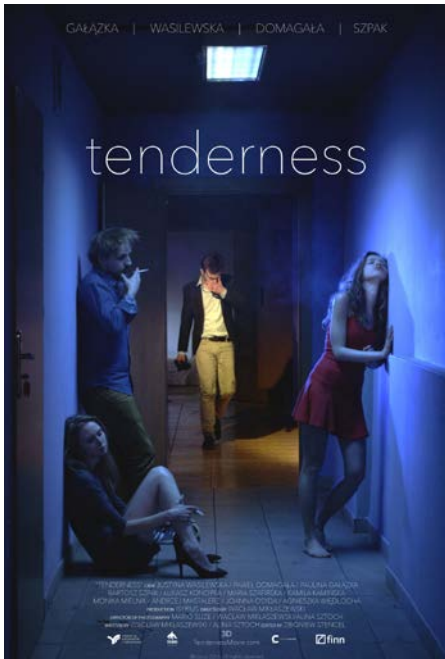

We automate the film releasing process for different targets and different channels of distribution.

Comprehensive solutions for stereoscopic and agile film making.

Hardware, Software and Services. Visit www.CinemaVision.com

Other Productions

Tenderness

Ahen Gladiators

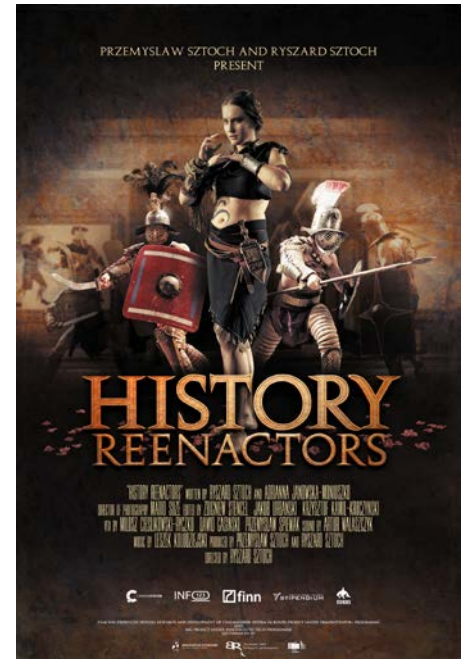

2015 | 20 + 16 min | 3D | Educational

Directed & written by Ryszard Sztach

The gladiators fight in Colosseum, ruthless lanistas and bookmakers make fortune, while gullible lose them.

The sideshow of Ahen's school gladiators' fights is the attraction of the feast in Cassius' villa.

Senator Marcius challenges the host, that he will train the champions who will defeat all of Cassius' gladiators. They bet on a fortune.

History Reenactors

2015 | 30 + 27 min | 4K 3D | Educational

Directed by Ryszard Sztach

Written by R. Sztach & A. J.-Moniuszko

Our memories are not the only time machines we have, the old times can also be revived by the History Reenactors.

We present the people who are willing to take risks, the men and the women who take up the roles of warriors, chariot-riders and gladiators, to experience their fear and excitement.
